

Front Exterior Property Condition Survey

Address	Date
[REDACTED]	2023-12-19

Dear Tenants,

We visited your home today for an exterior survey. Please address the indicated items below to remain in compliance with the terms of your lease. Items checkmarked below need to be corrected, and we may return to verify that the items have been corrected.

- The lawn is very dry and/or your lawn has several dry spots.
- The lawn and/or beds have weeds that need pulled/maintained.
- There was an animal observed at the property.
- The gutters are visibly clogged and/or broken.
- The lawn is greater than 6" high and needs mowed/edged.
- There is an RV, trailer, unlicensed or inoperative vehicle on the property.
- There is an accumulation of personal items and/or debris visible from the street.
- There are visible oil spots in the driveway.
- The bushes and/or trees are overgrown and need attention.
- There are visible broken blinds.
- Other:

If you have any questions the violation(s) listed above, please contact us at as soon as possible.

Thanks for your prompt attention to this!
